PRESIDENT-ELECT INTERNAT'L LIONS HERE MAY 31

Around the Square

For Rent—one ivory tower.

It is completely impossible to sit over here on the side and pretend not to be influenced by these here Pioneer Days.

The kids go by muttering about the Masked Rider, the poster contest and the merry-go-round.

The women go by muttering about bustles and dust ruffles or shall it be blue jeans.

The men go by muttering in their beards.

The Lions go by muttering.

*

This may be wistaria town in March—but it's jacaranda town in May. Have you driven around yet to see the breath-taking clouds of lavender? The trees are slim and bare of any foliage but the delicate blossoms—to heck with the newspaper business—let's get out a volume of Amy Lowell and a hammock.

*

Virginia Timberlake looks pleased as Punch over the reception of the Gay 90's show by the city of Monrovia.

....Seems as how the performances there during the celebration were warmly welcomed and invitations given for the Fall.

Miss Timberlake (Mrs. Mayor Steinberger as well) reports that the Studio Players have tentative engagements with Burbank and Alhambra for shows.

*

Keep Your Face Straight Dept.: The California Bureau of Patrol Report lists arrests during March as follows:

9 arrests for small crabs,
2 arrests for shooting from motor vehicles,
1 arrest for possession tree squirrel,
6 arrests for snagging fish,
1 arrest for clams in refuge,
17 arrests for striped bass with more than one rod.

*

We also discovered that the Chief of the Bureau of Marine Fisheries is named Richard S. Croker.

*

A lady named Allardyce and a filly named Frisky trotted into town Tuesday and hitched up to our Kersting Court pepper tree. Half Arabian, half Morgan, Frisky is something for the Masked Rider to dream about (nightmares, hmm?). She cropped the grass, spurned a drink from the fountain, rolled her eyes at the city slickers and promised to be back for the May 31 parade.

*

Well, we're back to the beards. After all, they are the funniest things in town.

Harry Baker, who only works here, but whose heart is in the thing, has grown a complete set from side-burns to' mustache to chin whiskers. The McCoy.

Tiny Scalzo looks like an international spy in "Orphan Annie". Help, Punjab!

Johnny Colbert isn't doing so badly either. No danger, though, of catching his beard in the cash register.

Bryce Taylor grows a compact little affair like a shaving brush.

Ralph Burns has a fierce beard—probably frightens his clients into signing.

Police Chief McMillan grows the chin beard—Fire Chief Heasley grows the mustache—when they put their heads together they make quite a showing.

Local Girl Is Cover Girl-- And Pretty Too!

Attractive Doris Bryant, daughter of Mr. and Mrs. Carl T. Colt of 595 Elm, is the cover girl on this month's issue of True Story magazine.

A professional model, Doris graced three pictures in fashion magazines last month.

Law Firm Organized By M. S. Musser

Announcement has been made by Milton S. Musser, attorney of 625 Manzanita Avenue, of the organization of the law firm of Musser and Wilson with principal offices at 318 Security Bldg. in Los Angeles.

Mr. Musser recently resigned his position as Asst. Trust Counsel with the Security First National Bank in Los Angeles. He was graduated from the Law School of George Washington University in Washington, D. C. and served as Law Clerk for Mr. Justice McReynolds of the U. S. Supreme Court.

He later practiced law in Washington and served in the Army with the Inspector General's Dept. He was discharged from the service with the rank of Lieut. Colonel.

The firm, which intends to limit its practice to tax and related matters, also will be available for consultation at the Manzanita Avenue address.

150 Workers Join In Youth Drive

With advance gifts coming in more generously than had been anticipated, Harry A. Lange, Community Fund Drive leader, yesterday reported the campaign going "good".

The drive is sponsored by the Kiwanis Club annually and benefits the city's five youth organizations: Boy Scouts, Girl Scouts, Camp Fire Girls, Toy Loan and Y. M. C. A.

Eleven precinct captains, Civic Club members and 150 workers are lined up with Mr. Lange in the comprehensive drive.

"We are grateful for the response so far," Mr. Lange said. "People apparently understand the need here and the fact that this is the only community drive for all five organizations."

Mrs. Fullwood, Ex-resident, Passes Away

Edith Jones Fullwood, 42, former Sierra Madrean and well-known here, passed away suddenly May 15 at her Sunset Place home in Monrovia.

Raised in Sierra Madre, Mrs. Fullwood attended the local school and P. J. C. She was head of the Edison Co. office here.

MRS. EDITH FULLWOOD

Mrs. Fullwood resided in Monrovia ten years prior to her death.

She was well-loved here, active in social as well as business circles. Her marriage to Roy Warden, son of Dr. and Mrs. Thomas Warden, ended tragically with his sudden death in 1928. Her second marriage took place only six weeks before she passed away of cerebral hemorrhage.

She is survived by her husband Ira G. Fullwood and a son, Roy E. Warden of Monrovia; her mother, Mrs. Elizabeth Jones and sister Verna Jones of Sierra Madre; and brothers, Raymond Jones of Pasadena and Earl Jones of Monrovia.

Mrs. Fullwood was a member of the Monrovia Full Gospel Church and the Navy Mothers Club.

Funeral services were held Saturday at Grant Chapel with Rev. Gordon Whipple officiating. Interment was at Mountain View Cemetery.

MASKED RIDER WILL MAKE SECOND APPEARANCE!

—Photo by Wild Bill Hick—up, Schmidt.

THE FAMOUS MASKED HORSEMAN who appeared on the city's streets last Saturday to snarl the traffic and finally land in the local jail (because he had no tail light—on his horse) will make a triumphant appearance before the kids at the school auditorium May 26, according to latest report. With him will appear Abe, the Comic Cop Clown, and Helen Sue Goldy who is only six years old but is acclaimed the greatest acrobatic discovery of the age.
The famous trio are a part of the Lions-sponsored Pioneer Days which open in Sierra Madre next week-end.

Local Artist In Nearby Exhibitions

Oils and water colors of Jonathan Scott, Sierra Madre artist, are being shown currently at two Pasadena exhibits.

The Pasadena Society of Artists, of which he is a member, is showing two Scott water colors at the Art Institute where their annual exhibit is on display until the 20th of June. Mr. Scott has won awards at previous exhibits of this group.

Arts Unlimited, a group of writers, painters and composers, is holding an exhibit at the Pasadena Public Library until May 29 and Mr. Scott is represented there with two oils and two water colors. Several other prominent painters and photographers are being exhibited in the show.

Mr. Scott, who resides with Mrs. Scott at 36 West Miramonte, is now conducting art classes at the Pasadena Art Galleries at 7 North Fair Oaks.

Dr. Valois Is Chosen for New Naval Course

Dr. Milton Valois leaves next Thursday by plane for a two-week Dental-Medical Seminar at the National Naval Medical Center at Bethesda, Maryland.

Only three men were chosen from each Naval District in the country and Dr. Valois received the honor along with dentists from La Jolla and San Diego. He served in the Naval Dental Corps during the war as a Lieutenant on duty in San Diego and San Francisco and aboard an APA.

During the June 1 to 14 course he will study under outstanding specialists in several fields, covering research in fluorine, advances in prosthetics and bacterial control.

According to Dr. Valois this reportedly is the first step in the Naval Reserve dental program to parallel cruises of reserve officers of the line.

DRUNK CHARGES BRING FINE

Edward Hainey, 57, of 242 Santa Anita Court was arrested Monday night on charges of drunkenness and fined $20 by Judge Noren Eaton at Tuesday court.

Here is the dope on the three-mile Marathon Race, one of the Pioneer Day Highlights, to be run off at the shot of a gun Saturday, May 31 at 2 p. m.

Two age-groups of boys will participate in the event, a 14-17 group, and an 18-20 group.

The VFW, who sponsor the entire event, will present awards of cups and medals to the three winners in both brackets.

The younger group will leave five minutes later and follow the same general course.

V. F. W. officials advise participants to wear any togs handy for the match.

'Life' Magazine to Record Distinguished Visitors and Three-day Fun Fiesta

Life Magazine is coming to a party—our party—our Pioneer and Homecoming Days that commence next week Friday and last through Sunday!

Latest report from the front is that the famous national picture magazine will send a photographer here for several of the main events. Whether the pictures are to appear under the "Life Goes to a Party" series or in a national "celebration" round-up could not be confirmed.

But, anyway, something new has been added and Sierra Madre merchants are racking their brains for window displays, the ladies are stitching up crinoline skirts and the men, God bless em, are just running their fingers through their beards.

Out of the potpourri of and ideas has emerged program of events w NEWS highlights in Next week the gram is to run i Issue".

Be a sport—pin one on!

Lewis Named Treasurer Of Hospital

R. C. Lewis, president of The Bank of Sierra Madre, will represent this community as treasurer of the permanent Hospital Association seeking to build a vitally-needed 200-bed institution to serve five cities in the foothill-valley area.

At a meeting Monday the non-profit Santa Anita Hospital Association was expanded to incorporate members from other communities.

Leo Meeker of Arcadia was re-elected chairman; A. T. Case of Monrovia was elected vice chairman; Mr. Lewis, treasurer, and Leslie Lieberg of Temple City, secretary.

Directors will be appointed from other cities to join three already appointed by Arcadia. An advisory board of 15 physicians is to be organized.

Harold D. Huycke of Los Angeles was appointed campaign director to begin the million dollar drive July 1.

Hope is to complete the 200 bed hospital by 1950.

DUCKS WORTH TWO BUCKS

Two (2) dollars worth of vaudeville or concession tickets will be given to the six youngsters who caught (and kept) the Muscovy ducks loosed by the Masked Rider Saturday. Apply to Lion Lorne Pratt at Pratt's Market.

Lucky so far are Larry Borneman, Edward Scoville, Barbara Ann Estes, Darrell Ower and two others whose names we couldn't catch—we couldn't catch the kids either.

HUGH PANGBORN MAKES EASTERN SUMMER TRIP

Flora, Fauna and Funny Incidents on Hawks Tour

"Three Men on a Horse" had nothing in laughs on one man on a motorcycle in Mexico—one R. A. Hawks to be precise, who departed thence April 18 on a Good Will trip and was last heard from on the outskirts of Mexico City D. F.

The prominent volunteer fireman and engineering firm head,

aboard his faintly unusual (but not for him) vehicle, has averaged three exciting byway incidents per day which are recorded in letters to the Sierra Madre plant personnel.

Properly censored excerpts which make good reading in anybody's mail, are presented below:

"A short distance from Duncan, Arizona, a fellow in a V8 flagged me down. He had run out of gas, so with a broken coke bottle I transferred ½ gal. I was rather low myself so I left ¼ in. I followed him as we didn't know if it would suffice. It didn't. Fortunately he had a tow rope so I pulled him the rest of the way, the little cycle squalling at 20 m.p.h. in second and all the townspeople laughing. It would be well to keep this quiet as I don't have a business license in Arizona—.

"I pulled over for a smoke and engaged in conversation with a farm hand who was watching two cows graze on the right of way of the Santa Fe. He said, "I say, friend, it must be about 11 a. m. Do you have the time?" "Sure, it's 11:05. Why?" "Well, the cows usually get through by 11:00 and the daily train comes through at 11:15 so I'd best get them home—."

"Across the bridge from Laredo the Mexican customs man looks over the luggage and passes you on for 14 miles where another inspection is made. You are then cleared through a third, 85 miles further on. Being on a motorcycle there is not much chance of smuggling in an undesirable alien so there was a minimum of fuss and everyone was very courteous—stopped to talk with a Mexican motorcycle officer resting by the way. Neither of us spoke both languages so we made talk after a fashion and shook hands upon parting. It seems rather odd that President Aleman should take this time to go to Washington, D. C. but I will carry on the Good Will tour and not feel too hurt—.

Historical Group Elects New Officers

The Annual Meeting of the Sierra Madre Historical Society was held last Thursday afternoon at the residence of Dr. A. O. and Miss M. C. Pritchard at 121 E. Alegria Ave. The meeting was presided over by William Lauren Rhoades, son of the owner of the famous "Sierra Madre Villa" who came into this region in 1874.

There were between 40 and 50 in attendance, none of whom was born here, but 44 of whom came before the city was incorporated in 1907. The meeting took the form of a Quiz program, members asking questions of a panel of early settlers consisting of Mr. Rhoades, Miss Daisy Hawks, Mrs. C. W. Bowen, C. W. Jones, Mrs. F. A. Spencer, and Dr. A. O. Pritchard.

The officers for the ensuing year were elected as follows: President, William Lauren Rhoades; Vice President, Charles W. Jones; Sec'y-Treas., Mrs. Emily Brugman Childs; members of the Executive Committee: Mrs. C. W. Bowen, Mrs. John Hart, Mrs. F. S. Dane, Jr., C. L. Twycross, and Dr. A. O. Pritchard. A special committee consisting of Dr. Pritchard, Mrs. Bowen and Mr. Jones, with instructions to select two more, was elected to consider the matter of publishing the historical papers now in possession of the Society.

After the business meeting the group adjourned for refreshments served by the hostess assisted by Mrs. Spencer and Mrs. H. B. Hutton. Assisting Miss Pritchard in receiving her guests were Mrs. Jones and Mrs. Rhoades.

Salvation Army Fund Going Well Locally

The first response to The Salvation Army's annual appeal for maintenance funds in Sierra Madre has been fairly satisfactory, according to Dr. Arthur O. Pritchard, Chairman of the local Sponsoring Committee.

"We feel that our Community should give its most generous support to the splendid program of this fine organization", he said, "especially at this time when unsettled conditions are causing so much world-wide distress."

Contributions may be sent to R. C. Lewis, Treasurer, care Bank of Sierra Madre.

National Dog Show At Long Beach June 21

America's second largest all-breed dog show and the largest ever to be staged in the southland will come to the Long Beach Municipal Auditorium and surrounding grounds Saturday and Sunday, June 21 and 22, when the Harbor Cities Kennel Club stages the 12th renewal of its annual classic.

Premium lists and entry blanks will be mailed to thousands of canine fanciers during the coming week, with a closing date of June 5, the announcement stated. Information may be secured and entries made by addressing Irene Onstad, who will be show superintendent, at P. O. Box 162, Glendale, California.

SYMPHONY BROADCASTS TO CONTINUE THROUGH SUMMER MONTHS

Both the Detroit Symphony and the Boston Symphony Orchestras will continue their ABC broadcasts during the Summer.

The Boston "Pops" series now under way under the baton of Arthur Fiedler will be followed by broadcasts from the Esplanade on the Charles River, and later ABC microphones will be moved to the Berkshire Music Centre where Dr. Serge Koussevitzky will preside. Dates for the broadcasts are now being worked out.

The summer series of the Detroit Symphony Orchestra, now being conducted by Valter Poole on the "Sunday Evening Hour Spring Festival", will be presented at least through July 27.

LOCAL YOKEL VOCAL

DON'T GO BACK TO "ALABAMY", DON—just keep up your hilarious Al Jolson impersonation and let Sierra Madre roll in the aisles. Scheduled to appear at the Civic Club's installation dinner in June, Don Miller will mark up another success to add to the list beginning with his first specialty act in "Fireman Save My Child." He appeared before the Lions in San Gabriel and rocked 'em on their heels in Monrovia last week-end.

COMO ESTA YOUR HOOF AND MOUTH?

The 1400 Mexican nationals coming to California in June for agriculture work will undergo strictest examinations and treatments to insure against introduction of hoof and mouth disease, the California State Chamber of Commerce was assured today by the Labor Branch of the U. S. Department of Agriculture's Production and Marketing Administration.

The 1400 will work principally in Southern California's citrus, vegetable and sugar beet areas. They will augment the 13,000 imported Mexican farm workers now here, through extension of the federal importation program to meet the great shortage of crop labor.

Bullock Executive And Wife New S. M. Residents

Sierra Madre welcomes (a touch belatedly) the advent of Mr. and Mrs. Paul Parker and puppy to our midst. Their purchase of the 400 Churchill Road home of Jim and Gwen Dewey took place last month and the trio is well established in the hillside abode. (After two-day reconnisance of the neighboring area, the puppy, also, is well established.)

Mr. Parker is Publicity Director of the new Bullock's Pasadena and Mrs. Parker is highly ornamental.

Greetings!

The highest per capita annual egg consumption, 392 eggs, was reached in 1944. This figure was twenty-four per cent above that of 1940.

Club Group Report By Mrs. Perry

In a report before Woman's Club members at a regular meeting last week, Mrs. Randolph Perry, chairman of the Youth Activity Committee, stated as follows:

"The purpose of the Committee is to meet and work with all other organizations interested in youth activities.

"We feel there is a great need for more adequate facilities for the youth than our clubhouse has provided in the past few years, and it is our desire to see a permanent place for the youth to hold their dances and activities. We feel that the Park House is the logical place for this purpose.

"Realizing that before the park house can be used properly there must be an addition built to include rest rooms with inside entrances only, a motion was made and approved by the board that $150 be donated toward this building fund.

"It is the expression of the board that our youth activity committee meet with the Recreation Commission and all other Youth Activity Committees to discuss and work with them toward this goal.

"We hope as a club that in this way we will be doing our share in helping with the Youth problems not only of Sierra Madre but also of the United States."

"Goodness," said the young lady as she inspected her grandmother's wedding ring, "what heavy and unwieldly things those were 50 years ago!"

"Yes, dear" said grandma, "but you must remember that in my day they were made to last a lifetime."

HISTORICAL QUESTION BOX

Dr. Pritchard and C. W. Jones

Question 18. What were the beginnings of the religious life of Sierra Madre?

Answer. The first religious exervise conducted in Sierra Madre was a Sunday School. In true American pioneer fashion the adults thought of the rising generation, and themselves organized a Sunday School in 1882 meeting in the School House on Orange Grove Ave. (Live Oak Ave.). This school met every Sunday with Adonijah Gregory, a Quaker, as Superintendent. In due course he was followed by Walter Andrews, a Baptist, C. E. Cook, a Methodist and John C. Dickson, a Congregationalist. Each Sunday Mr. Andrews loaded his cabinet organ, or that of the Norris family, together with firewood and hymn books, into his wagon and transported them to the school-house. Mrs. Andrews was the organist, and the books were Gospel Hymns Nos. 1, 2, 3, and 4. Children and adults from all families attended without regard to previous affiliations. John Hart records that this was the first Sunday School he ever attended.

In a few months preaching services were introduced with Ministers from Pasadena, San Gabriel and other towns; One Sunday a Presbyterian, another an Episcopalian and, another a Baptist and so on. As a large group of the early settlers came from New England and another group came from Old England there was naturally a clear cut division between those who favored a rather free service of worship and those who wanted a more ritualistic service. Among those who favored the latter was Miss Frances. Hawks. Through her generosity and zeal the Episcopal Church of the Ascension was organized in 1885 and a building was erected on land donated by her. Dr. Frederick Gresham, the first physician here, was the first Warden. The next year the building, which was of faulty construction, blew down in a severe gale. With heroic courage the little group set to work immediately to erect another, and in 1888 the present edifice, since enlarged, was occupied.

Meanwhile a minister-missionary, the Rev. Lafayette Gordon, who was home on furlough from Japan, became interested in the group running the Sunday School, and under his leadership a Congregational Church was organized in 1886. This church, which has grown so strong in later years, began with 13 charter communicant members; three from the Presbyterian denomination, three from the Methodist, three from the Congregational, two from the Baptist, while two came on Confession of Faith. For four years they met in the school-house, the library and the Town Hall, but in 1890 they moved into their own church building (now the home of the Nazarene Congregation.) on Sierra Madre Blvd. The land on which the Church stands was donated by Mr. Cook and Mr. Andrews. In six months Mr. Gordon returned to Japan, and the Rev. Lucius Frary became the first settled minister. He was one of the founders of Pomona College and "Frary Hall" in that Institution was named in his honor.

A company of the Plymouth Brethren has been meeting weekly on Baldwin Ave. since before 1906. Father Barth began Catholic services about 1907. Bethany Church and the Jewish congregation both were organized later in the century.

Tax Check To Be Made By C. of C.

At the Chamber of Commerce Directors' meeting Monday it was decided to hold an open tax discussion dinner meeting in early June rather than May because of the approaching Pioneer Days.

Supervisor William Smith of the County Board of Supervisors has been asked to be the principal speaker.

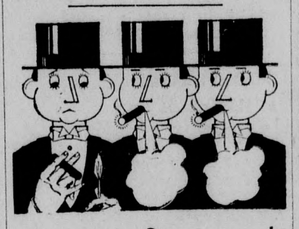

According to Noren Eaton, Chamber president, the meeting discussion dealt with means of ascertaining if our assessments were equal to other cities.

It was revealed that conducting a comparative appraisal would be prohibitive in price, however, a spot check of properties in Sierra Madre and other areas is to be made.

Judge Eaton said the Chamber had asked County tax officials to have assessment rolls brought here by June 15 so all residents can avail themselves of the information. Last year the rolls did not arrive until a few days before the Board of Equalization convened, he said.

"It seems apparent," Judge Eaton stated, "that we have no complaint on unequal assessment. If so, we must approach the taxing bodies with a view to lowering administrative costs if possible."

The meats graded by employees of the Federal meat grading Services are beef, veal, lamb, and mutton.

Fleet Admiral Chester W. Nimitz, U. S. N.:

"Often in peacetime, we Americans are inclined to forget the price of peace. There seems a tendency to forget that those same elements of strength that obtained victory will continue to be factors in obtaining a just and permanent peace for all concerned.

That is why the new Naval Reserve will be a vital force in the lives of every American. That is why every Naval Reservist will be in truth a factor in world affairs.

Our postwar economy could not, of course, stand the burden of a Navy as large as the one we possessed in 1945. Yet it is clear that this force for good must somehow be kept "in being". The logical solution then is a small compact ready Fleet, backed up by a large, well trained Naval Reserve.

The new Naval Reserve provides excellent educational opportunities for the men and women who will compose its ranks. And these people will, in turn, contribute to their communities by reason of their self-improvement and group readiness.

Our efforts to obtain this needed support for the regular Navy will reach their peak during Naval Reserve Week, commencing May 18 and lasting through May 25. Our goal—the enrollment of 1,148,000 Reservists—will be achieved if our citizens lend to the drive their active and whole-hearted support."

Mrs. Freeby is Jimmy's great grandmother and is often a guest at the Sierra Madre home of her daughter, Mrs. James L. Copeland of North Auburn. Jimmy's parents are Mr. and Mrs. John Q. Copeland of Altadena, former Sierra Madreans.

Housewives Still Urged To Save Fats

Sierra Madre housewives turned in 957 pounds of waste fats for April in an increase over March total of 886 pounds.

However, this is a drop from 1946 waste fat collection and officials of the County Conservation Committee urge continued saving and turning-in of all used kitchen fats not required or usable for cooking purposes.

June Wedding Planned By Margaret Groth

June 14 has been set as the date for the wedding of Margaret May Groth, daughter of Dr. George Groth of 223 Santa Anita Court, and Robert Arthur Johnson of Los Angeles at the Pasadena Chapel of Roses.

Miss Groth spent three war years as a member of the WAC in New Guinea. Mr. Johnson also served overseas in the armed forces.

Pre-nuptial parties are being planned for the near future.

ALA ACTIVITIES

Early tomorrow Poppy Chairman Orcelia Stinman and her corps of volunteers will be on the streets of Sierra Madre distributing veteran made poppies. The corps is composed of Unit members and campfire girls. In return for the poppies, Poppy Day workers will receive contributions to the American Legion Auxiliary's Welfare fund. The disabled veterans who made the poppies are the only persons receiving any pay in the Auxiliary's poppy program. Every penny contributed goes for the benefit of disabled men and needy families of veterans.

The Poppy posters displayed in stores this week are the work of our Sierra Madre school pupils. Prizes won were as follows: First Class—4-5-6 Grades—Aliza Cohen, 1st prize, Ann Price, 2nd, Marilyn Hailey, 3rd, Lydia Richter, Honorable mention; Second Class—7th-8th grades— Mary Jane Stone and Verlynne Woodward, 1st prize, Beverly Stunden, 2nd, Nadine Guthery, 3rd, Bob Wildery, honorable mention for thought. Judges were Miss Ella Bush, Mrs. Homer Tuttle and Mrs. Gordon Stinman.

The Unit will decorate the veterans graves at the local cemetery as usual on May 29th and a request is made for flowers or bouquets from residents. Flowers may be left at the City Hall during the morning of the 29th or call Mrs. Walter Nollac.

City School To Graduate Class of 61

The graduating class from Sierra Madre school will receive diplomas, Wednesday, June 18th, at the annual commencement to be held in the school auditorium. One of the largest classes on record, numbering 61, will be graduated.

In a recent sampling of achievement in fundamental subjects on a 10 per cent group of the student body in grades 4 to 8, results proved satisfactory over the past five month period.

New Testaments were distributed by the Gideons to all interested students in grades 5 to 8.

The school's Indemnity Company has cancelled its first aid clause which means from now on no bills for first aid to students will be paid by the Indemnity Company.

CONCLUDING CEREMONY AT ST. RITA'S

BALLING BABY TALK

THIS LITTLE PIG HAS PERSONALITY! The Balling Baby Shop is now in the pig business. The cutest piggie banks you ever saw—and made right here in Monrovia. They have such smug smiles on their faces that you can't help smiling every time you look at one. But the payoff is that you can have a name and birthday lettered on the pig before it is glazed, by ordering it a week ahead. One style has cute little flowers all over. Another, which would be nice for little boys, has stripes and hip pockets painted upon his posterior. They're all little gluttons, for they hold thirty dollars in dimes. No matter how much you pay for bacon today, these pigs are only 2.50.

*

A GREAT CHANGE is taking place among all the little boys and girls in Southern California. They're changing from flannel pajamas to seersuckers—which must mean that warm days are upon us. We can "tell it just as plain", for there's a big demand for seersuckers at the Balling Baby Shop—and we're all set. We have floral patterns in infants' sizes 1 to 4. They have separate button-on pants—TWO PAIRS of pants—one for a spare, you know. They're $1.95. Seersucker one piece pajamas for the housebroken youngsters 4 to 8, with clowns and animal patterns, are also $1.95. Two-piece pastels for girls 4 to 8 are $2.25. Boys' striped slip-over pajamas—JUST LIKE POP'S—burgundy and white or blue and white—are $2.50.

*

BLUE JEANS also have been in big demand at the Balling Baby Shop—probably because of the big Monrovia Day celebration last week. It's a good thing the kids like them, for they wear like iron and save the good clothes. Size 2 to 8 with suspenders are $1.95. Size 6 to 16 "Toughies" are $2.75.

*

WE DON'T BELIEVE in having a lot of special "sales" at the Balling Baby Shop. We try to keep our prices as low as possible all the time. When something gets a little soiled in the window or from handling, or it doesn't turn out to be as popular as we thought it would when we bought it, we just put it over on our HALF-PRICE TABLE which we keep for the purpose. WHAM! Away it goes. If you sort of get a kick out of picking up a bargain, take a look at the half-price table. Might see some thing you want. Right now there are some books, sweaters, panties, games and toys there. Right now, that is.

*

HEAVEN'S TO BETSY! Tuesday was little Bonnie Barron's first birthday. Doesn't seem like a year since her mother made an unexpectedly quick trip to the hospital and her Daddy came in to see us, in a panic and helpless condition. Time sure flies at the Balling Baby Shop—401½ South Myrtle Avenue, Monrovia.

FIRE FLAMES

With fingers crossed, the firemen are with you as we enter the dry season. So far, we have had only one call into the mountainous district. Two calls have been from outside the City limits, neither of which were allowed to reach the anxious stage. One fire along Michillinda had all the appearances of incendiarism and was in the region controlled by Pasadena. Both Bill Chunn and Jim Heasley happened upon the scene at the time when the fire could be tramped out before taking off across the large field there. A local resident did some fine work in observing the fire start and catching up with a suspect.

A fire was well taken care of by some local youths who have long been acquainted with Sierra Madre's fire prevention. To such fellows as Bob La Lone, Joe Vassie, Bob Orme and Lyle McElwain, the entire City can be grateful. They went into action immediately and within a few minutes had what might have been a serious fire in the mountains, under control. The response of the regular firemen and the newly organized Forest Fire Service was efficient, but due to the "Know how" of the above mentioned men, the work of these willing firemen was not needed. All praised the fellows highly.

Our ambassadors of good will returned from Monrovia after giving a good account of themselves in that city's parade. Eugene Toms with his prize beard displayed dramatic ability. His pantomime should not escape the talent scouts who mingle with the crowds. He should by this time be capable of playing the part of a smoked ham.

We are NOW in the season known as the "Fire season". We want to repeat that fire to us is "bad". We can prevent it if we will just keep thinking of the danger. It is urgently asked that word get to the fire department when a fire gets started, but if the water from an ordinary garden hose can be applied immediately, much fire can be conquered. There have been numerous occasions where fires have been stopped by some cool and calm people. At any rate from now on, the brush, the dry oats, rye, thistle, nissle and every other kind of growth that dies and dries, will be a constant hazard. It is up to us to keep in mind the danger of fire.

We are noted for the ability to get men at the base of a fire within the mountainous area. Many of our young and able men have been reared in Sierra Madre. The thought of climbing hills does not frighten them when they realize that the future of Sierra Madre might be in danger.

Well, this coming Friday will be regular drill and meetin'. The following Wednesday evening will be S. G. V. F. A. meetin' at Monterey Park. If there are any who plan on attending, this date should be marked down in your calendars right away. Soon Sierra Madre will entertain this group. We will perhaps have to impose on Carl Hansen for the use of his new garage and show rooms. The new location will not be too far to walk from the Fire Station Remember, August is our month to call in the "visiting Firemen."

After all this, we hope the reached by Dr. John Gaffey, refinal. Let's keep the FIRES OUT."

Editor's note— "We Did!"

Careless smokers and careless handling of matches are responsible for more home fires than any other single cause.

Prosperity Here! Where? Says US Dept.

Amazingly high levels of prosperity have been reached by Southern California and Arizona during the past year of reconversion, but the labor force now is growing faster than employment, the U. S. Department of Commerce's regional office reported here today in its semi-monthly bulletin.

Summing up conclusions reached by Dr. John Gaffey, regional economist, in his quarterly survey of business conditions here, the report reveals that:

1. The Pacific Southwest—comprising Southern California and Arizona—is the fastest-growing region of the nation in population, labor force, industry, and trade.

2. Population and civilian labor force of this area in April 1947, were up 38 percent above the 1940 level. This means that 1,647,000 more people are here now than in 1940—687,000 of them either working or looking for work.

3. Income in the area for 1946 was about 2½ times the 1940 level. This is nearly $5,000,000,000 more than people of the region received in 1940.

4. Regional per capita last year was at least 20 percent above the national average.

5. Within the past few months however, population and labor force have been growing more rapidly than employment. Unemployment, already somewhat heavier here than the national average, now is slowly increasing.

6. Other danger signals, some of which began to appear as early as last October, include a rise in inventories at all levels; growth of consumer credit, and increased consumer resistance to low quality and high prices.

Burning Question Put Before Officers Of Five Cities

A preliminary meeting to discuss an incinerator to serve five foothill and valley cities was held Tuesday in El Monte and attended by Mayor J. Milton Steinberger and Councilman W. J. Schiltz of Sierra Madre.

Plans are to take care of combustibles from this city, Arcadia, Monrovia, El Monte and possibly San Gabriel and Temple City.

SAFEWAY GIGANTIC WHITE ELEPHANT SALE!

HERE'S BIG NEWS! Safeway is "cleaning house" on a large number of items. In the past, due to war-time conditions, we were not always able to procure the brands of items usually stocked in our stores, and we had to purchase "substitute" brands. All, however, were good quality items. Now that supplies are becoming more normal, we are discontinuing many items, and are reducing our over-stocks on others.

DRASTIC PRICE REDUCTIONS! We have cut prices to move the items quickly. No limit on purchases. All items are offered on a "first come-first served" basis. Since many of these items are to be closed out, some of our stores may sell out certain items early in the day. We suggest that you shop early! Come in today and stock up on these outstanding values. Remember, everything offered is GOOD QUALITY MERCHANDISE.

These prices effective in all Safeway Stores in the following counties: Los Angeles, Orange, Riverside, San Bernardino, Ventura, Santa Barbara, Kern, Inyo, and San Luis Obispo. No sales to dealers.

Woman's Club Joins UN War Relief Drive For Funds

Spearheading the United Nations War Relief fund campaign in Sierra Madre, will be the Woman's club, whose members have volunteered their services in making a direct appeal to the people in behalf of the $1,840 quota accepted by the community. Mrs. John Fergus, philanthropy chairman for the Woman's club is in charge, assisted by Mrs. Al Myers and Miss Clara Sykes, and supported by the club at large.

Dr. J. Earl Gossard, campaign chairman, plans a quick two-week campaign, during which time, an intensive educational program will be carried out to acquaint the people of the community with the needs of war sufferers. Sierra Madre has joined other Southland communities in conducting the campaign for a combined goal of $535,000.

Activities of the club women began on Monday of this week in booths set up in front of the Sierra Madre bank and Roberts' Market, and staffed by club women who worked in relays. Colorful posters drew attention to the appeal and small coins were dropped into waiting boxes while larger contributions were made by check and in cash.

Sierra Madre club women are well aware of conditions abroad since the close of the war, and have been instrumental in sending many boxes of food and clothing to war sufferers, particularly in Holland and the Philippines. Mrs. Fergus and several other club women have their own personal philanthropies in this work, sending relief packages to individuals regularly.

In speaking of the appeal, Dr. Gossard said: "UNRRA, the international relief agency is ceasing to operate. The National War Fund was discontinued sometime ago. Countless thousands of war victims have been left in a tragic state of privation and they need direct aid if they are to regain health and strength. United Nations War Relief is in no way connected with UNRRA or any political organization and relief is administered directly on the basis of need through centers set up by the agencies in the different countries."

Countries included are China, Czechoslovakia, France, Greece, Holland, Luxembourg, Norway, the Philippines, Poland.

WILSON NOTES

By Rollin Woodworth

Gaining scholarship honors as a member of the graduating class at Wilson Jr. High, was Sierra Madrean, Priscilla Young. To obtain this honor she was on the Honor Roll every semester.

Wilson's 10-2 Variety Show, which played May 15 and 16, was a grand success. The program consisted of 12 variety acts, a tumbling exhibition, and the senior class play. Sierra Madre's Stewart Macaulay, who planned most of the show, acted as Master of Ceremonies.

Other Sierra Madre students who took part in the show, were: Donna and Diana Norris, who did an original tap dance, and Calvin Floyd, played the piano as member of a quintet.

SIGMA PHI EPSILON PLANS PROGRAM

The William Farrar gardens at 1311 Rodeo Road promises to be a very busy spot May 28 from 1 p. m. on. The Sigma Phi Epsilon Mother's Club is holding a benefit lawn party on that date which will include a bazaar, fashion show and aquacade, with most of the talent being drawn from U. S. C. Three of the models for the fashion show, residents of the Oaks, will be Mrs. Bertram Willis, Mrs. Viva Haserot and Mrs. Pete Young. A Capella choir, composed of nine of the fraternity men will be enjoyed during the festivities.

Mrs. Farrar, chairman of Ways and Means, will be assisted by members of the fraternity and their mothers.

SCHOOL NEWS

Tickets for "Getting Gracie Graduated" and "Alex the Great" for May 29 are on sale by seventh and eighth graders. Phyllis Connell is in charge.

In a hard-fought game Thursday afternoon the Sierra Madre school team defeated Hudson of Puente by a 7-4 score. Hudson proved to be the strongest team the locals have thus far encountered.

Sierra Madre made four errors to put pitcher, Flores, in several tight spots. Fine playing by Louis Osti, local catcher, cut short several Hudson scoring opportunities.

Next week Sierra Madre meets Mt. View here in the game that probably will decide the championship of the San Gabriel Valley League. The local team has not been beaten yet and, as far as is known, neither has Mt. View.

Camporee Is Attended By 57 SM Scouts

Fifty-seven Scouts and nineteen adult Scouters from Sierra Madre attended the Camporee in the world famous Rose Bowl during the past week-end.

This was the annual camp of the Pasadena-San Gabriel Valley Council Boy Scouts of America and was an inspiring sight. Three thousand Scouts and adult leaders were grouped around the Bowl with their tents, flags and camping equipment.

After setting up camp Saturday and cooking supper by campfire, the group attended the Saturday evening ceremonial in the Bowl.

The Mustang Band of John Muir Junior College furnished the music and a pageant showed the transition of Youth from the Athenian Age down to the present day Scout and Senior Scout.

Actor Monte Montana, wife and son, with their famous horses and coach of four, thrilled the audience with their horsemanship.

Bob Hope, seated in a canoe carried by eight Sea Scouts, was escorted into the ampitheater and after introduction, gave a witty talk to the boys for the closing of the evening program.

Sunday morning, after breakfast, the Reverend Ronald Meredith brought a message to the Protestant boys, entitled, "Your Dreams Can Come True." Services and Mass were held for the Catholic boys in another section of the park.

The closing ceremony took place in the Bowl at 2:00 p. m. Sunday, with all Scouts attending and receiving awards for their respective camps and Scoutcraft.

Members of the local graduating class were guests of the eighth grade of Wilson Junior High at an assembly in Willard Auditorium last Wednesday.

The musical program, in which many Sierra Madre alumni took part, was followed by a lecture on studies offered in Pasadena Secondary schools.

After lunch the local pupils were guided by their hosts on a tour of the campus.
